SINGAPORE/HONG KONG

Morning flight brings you to the former British Crown Colony of Hong Kong. Hong Kong ! The name alone sets the mind alight with visions of pirates and traders, of mystery and treasures won and lost. Countless words have been written about Hong Kong, the city, her profile of present and past who have sought their fortunes. A Chinese junk on the harbor, the “Taipan” in his Rolls Royce, the Chinese shipping magnate, the tailored suit all are visions which can become reality for the modern sightseer. This small former British Colony has a magic and fascination that attracts visitors to return again and again. Upon arrival at the airport, you will be met and transferred to your hotel.
